

Hi Bill,

march 25

My writing is funny cause I sprained my right ring finger playing B-ball and now it's taped. Anyway, I realized yesterday that I haven't sent my march letter yet. Well it will be about spring break. I had two weeks and didn't do much the first week but I studied cause I had a test the first day back. At some point during the next week, I went to Abbotsford. You know who I visited. We went to White Spot in Tsawassen? For dinner the day I arrived. The

next day we went to Port Langley and then to Sarah's school. That night we went to go see monuments men and there were 7 of us in the movie theatre. Thursday was movie day. We watched all the Indiana Jones movies and Elmo in Grouchland. Friday we went to the outdoor mall to look around. Then watched movies. They have so many. We watched 11 movies in 4 days. And we read our books and I studied. Then I had a soccer game against the parents and we went to Booster Juice after for smoothies. They were so good. Then there was school again.

Love
Samantha Jones
