

Hi Bill,

April 17<sup>th</sup>  
(April letter, I think)

So I think my next owed letter is April. I only had one week of classes in April and they were pretty much all review. We also did some feedback papers on on class and the program as a whole. I had on day study break, on Thursday, before my first exam Friday. I had exams the 8<sup>th</sup>, 9<sup>th</sup>, 11<sup>th</sup> and 13<sup>th</sup>. Two were at 8:30 am, one 9 am and one 6:30 pm. I made sure to study hard. So far I know the grades for 4 of my classes. My english class had no final exam, so just pass based on our in class assignments. She was not a very good teacher. She was unorganized and we had random

Stuff. And she was slow all year at giving us our grades back so I'm not sure when I'll get my final mark. And as for my french I'm really hoping I will pass. I just had a really hard time again with my verbs.

Now that I am all done I will clean the suite and start packing. I will also try to go out and explore.

Mom is coming out the weekend of the 22nd, and dad said he was going to come out Wednesday with Thomas. We'll see! I hope so!

Can't wait to see you both soon!  
Love

Samantha
