

Hi Bill,

April 13th

Just finished an exam. It was online and we got all the questions in advance so it was quite easy. This letter will be short, cause I've got 2 questions instead of a story on my part.

1. What is the war in Syria really about?
2. Do you know what changes the United Church is going through?

I completely understand
if you can't fully answer
one or both of the questions.
I was hoping the answers
could come in "for dummies"
style.

Lots of love to you and Fran.
Looking forward to seeing you
next!

Love
