

Hi Bill,

April 27th

Boy, has this month been wild. I got back to Vain on Friday. There's stuff that I needed to do here in the office, and it's just nice being back in my own space.

The scope of my work has changed obviously. There are no events to be put on. The past month even though I've had to work 35 hours a week, I wasn't working those hours and I felt really bad. Last week, Pamela told me they would be reducing my hours to 10 hours a week, with a total of 40 hours a week.

This way I can keep working for the church, as well as get the carb benefit. Going forward I'll be working about twice a week.

Does this mean that you both won't be moving out in July? *I forgot, my trip to Ireland has been cancelled. I have I think

24 months to re-book my tickets as well as my tour.*

Or will your move out be delayed? Are you planning on staying in the suite when you come out? Depending on the answer to that question, when the people upstairs move out, and since Thomas

isn't here, can I start re-decorating the suite? Moving furniture I don't need upstairs, making one room my bed room, and the other an office? It'd be nice to be able to start moving things around.

Let me know. I'm headed back to work!

Love

Samantha
